EDUCATION

Western University, London, ON

2025

Candidate for Bachelor of Management & Organizational Studies (BMOS)

- Honors Specialization in Consumer Behaviour
- Courses taken include: Intro to Consumer Behaviour & Human Resources, Intro to Accounting & Finance, Calculus I, Marketing, Business Law, Organizational Behaviour, Social Inequity in Canada

Related Academic Experience:

- Critically analyzed Canadian healthcare system from an equity, diversity and inclusion (EDI) perspective in order to identify related challenges in healthcare practice; detailed review of multiple reports and research studies led to development of paper identifying practical solutions to EDI issues currently inherent in system
- Developed visually appealing infographic to clearly illustrate differences between concepts of equity and equality in a readily understandable manner; clarity and simplicity of included language and images ensured strong understanding of concepts regardless of reviewers' previous level of knowledge
- Collaborated in team of four to develop and deliver multimedia presentation highlighting government's role in influencing inequality in society; strong cohesion of team, clear role definition and shared objectives amongst members resulted in strong positive feedback on presentation's flow and depth of information

WORK EXPERIENCE

Carlyle Community College, Scarborough, ON

Summer 2024

Summer Intern, Career Services Office

- Compiled data from varied placement spreadsheets into accessible database to provide at-a-glance view of industries and organizations who have hired students via co-op programs; aggregation of data significantly aided college's employer outreach efforts

Markham Recreational Services, Markham, ON

Summer 2023

Park Leader

- Managed drop-in center for children aged five to ten by ensuring staff was well-trained and attentive, updating programs, and providing the opportunity for participants to learn and play in a safe environment; resulted in an increase in drop-in attendance by 25%.
- Analyzed feedback upon program completion in order to identify areas of betterment; adjusted programming where necessary to improve community services.
